Dear Judy,

Thanks so much for your recent speaking engagement with the National Management Association, Seal Beach Chapter. You were extremely funny, very personable and kept the audience geared to your "act" up til the very end. We received very positive comments, even from the engineers, and I have recommended you to our other chapters. Your material was very personalized to our business base and you brought comedy into our evening, which turned out to be "absolutely terrific."

Judy, thanks again for the night of laughter. You're Outrageously Funny!!
