Dear Ms. Carter,

Thank you for taking the time to speak at Port Hueneme Division, Naval Surface Warfare Center during our third annual Leadership Forum.

Your topic, "When Things Get Dire...Inspire," was interesting, thought-provoking, and humorous. I am confident that our leadership came away with valuable tools that they can use in developing their personal leadership skills.

I appreciate your support.

Sincerely,

J. W. AILES
Captain, U.S. Navy
