Dear Judy,

The Industry Manufacturers Council/Chamber of Commerce for the City of Industry, was delighted with your presentation on Tuesday, September 7, 2004. Since 1962 this organization has had four major luncheon programs a year. That adds up to a lot of guest speakers. I can count on one hand those that received as much praise as your program did. As you know our audience was very diversified. Business owners, bankers, insurance brokers, elected officials, sales personnel, and many more. We had nothing but positive feedback on your talk, at our third meeting of the year. Staff members from city hall said it was the best presentation we ever had. Your comedy was appropriate, uplifting and no one was offended. Our guests were laughing out-loud and thoroughly enjoyed themselves.

Thank you for an exceptional performance, message and presentation.

Sincerely,

Donald Sachs
Executive Director
