Judy:

Wow, how can I start? You are awesome, My audience LOVED you.

Both afternoon and evening presentations received standing ovation! (610 women) Everyone loved your magic tricks as your closer.

Your presentation was hilarious! You left us wanting more. Your interaction with my audience before and after the presentation was priceless. They so enjoyed you.

Even a couple weeks later, people have been coming up to me comment that you are the best speaker I have had to date.

As a coordinator, you were very easy to work with. Thank you for being so easy going and being so good to my staff and participants.

I would highly recommend you to anyone looking for a dynamic keynote presenter. Thank you for sharing your delightful sense of humor with us.
