Dear Judy,

Thank you again for the wonderful presentation at the Midwest Claim Conference. We have reviewed the evaluation forms from the attendees and I am happy to say that you were an overwhelming success at both the lunch and breakout sessions. I particularly appreciated how you were able to customize your material to fit the needs of our group.

It takes courage to share parts of ourselves with strangers and I wanted you to know that there were several people in the audience who could identify with your story about your mom and appreciated your openness.

Good luck with everything you have going and thank you again for all the laughs. Please feel free to use my name and phone number as a reference...not that you need one. I will be looking for you on TV in the future. If you happened to have an autographed picture around I would love to "hang" you on my wall of fame here at the office.

Sincerely,

A handwritten signature in cursive script that reads "Heidi Litton".

PS-Thank you for the tee shirt and book.
